Bridging the Gap: Effective Communication Techniques for Finance Leaders

Dr. Gladeys Jill Santos

PICPA National Head of International Affairs

About our speaker:

With over 20 years of experience in the accounting profession, Jill Santos is a global leader and expert in various fields of accounting, audit, forensic, and internal control. She is the Business & Professional Women BGC President, Chairperson of the ISCA Philippines Chapter, the local arm of the Institute of Singapore Chartered Accountants, the national accountancy body of Singapore, the 2022 National President of the Association of Certified Public Accountants in Public Practice (ACPAPP), 2020-2022 National Vice President of the Philippine Institute of CPAs (PICPA), a member of the Professional Accountancy Organization Development and Advisory Group (PAODAG) of the International Federation of Accountants (IFAC), a member of the Auditing & Assurance Standards Council (AASC), and the Founder and CEO of Jill Santos & Company (JSC), a full-service firm that is affiliated with several international networks.

Jill holds four professional licenses to practice in the Philippines and is also an ASEAN CPA. She holds multiple global certifications as a Certified Forensic Accountant, a Certified Internal Control Auditor, and as an ISO auditor. She has several degrees on accountancy, juris doctor, master's in business and public administration, and doctor in business administration. She has received numerous awards and recognitions, both nationally and internationally, for her outstanding achievements and contributions to the accountancy profession, to the women leadership & entrepreneurship, and to humanity. She is an advocate of women empowerment and mentorship, and actively participates in various organizations that support the development of girls and young women in leadership and entrepreneurship.

Her numerous awards include ASEAN Woman Entrepreneur which she received from the Princess of Thailand and a business leadership award from the Italian Chamber of Commerce.
