Strategic CFO: Roadmap to C-Suite Level

Meet our Speaker:

Mr. Taher Jhanjharya

Advisor to the Board, CFO
EFSIM Facilities Management Company

Mr. Taher Jhanjharya is Advisor to the Board, CFO, and financial transformation leader with over 18 years of executive experience across finance, governance, operations, and digital transformation. As CFO of EFSIM KSA and Advisor to the Board of EFS Facilities Services Group, he contributes to financial stewardship, governance excellence, strategic planning, capital optimization, M&A support, and technology-enabled transformation across a multinational platform spanning 27 countries and 30,000 employees.

Recognized through the CXO 50 Awards for innovative leadership and business value delivery, Mr. Jhanjharya is a credible voice on "Strategic CFO: Roadmap to C-Suite Level."

During the PICPA Dubai Fin-LEAD Conference 2026, he will share high-level insights on how finance leaders can elevate from financial stewardship to strategic influence, C-suite readiness, and enterprise value creation, aligning with PICPA Dubai's commitment to professional excellence, strategic leadership, and future-ready finance capabilities.
